

You can make a difference! Volunteer for a new ISFAA opportunity!

Make a new ISFAA friend by offering some of your time and you will get a professional relationship feeling in return. Please fill out your half of this form and or fax it to the person and number shown below.

Be a Mentor!

Have you been in the profession or state for a while? Know a lot about your profession and here is a chance to help someone who is starting out.

We know how much you have to offer by helping someone who is just getting started in ISFAA. As a mentor, you are committing to:

- making yourself available by phone for questions or concerns
- Checking in with your mentee by phone or email at least once a month and
- planning a coffee or lunch date during any state activity that you are both attending.

Yes, I will help a new colleague!

Need a Mentor?

Are you just beginning your career in financial aid? Are you new to Indiana?

We'd like to help you get your bearings by providing you with access to a seasoned professional who is willing to help you get adjusted. You can count on being able to:

- have telephone or email access for questions or concerns
- receiving their "check in" phone call or email at least once a month
- have a coffee date and/or lunch plans for any state activity you are both attending

Yes, I would like to have a friend in the profession!
